Elizabeth Meredith is a seasoned Senior Property Manager with 18 years of expertise in Commercial Property Management, specializing in industrial, retail, office, and new construction properties. As a licensed Real Estate Agent, she brings a comprehensive understanding of the industry's intricacies to her role. Elizabeth's illustrious career includes notable tenures at Sunwest Real Estate Group, Jim Lake Companies, Cawley Partners, and CBRE, where she consistently delivered outstanding results.

At Younger Partners, Elizabeth is an indispensable member of our property management team, tackling day-to-day challenges with tenacity and ingenuity. Her experience in handling diverse property portfolios has equipped her with the knowledge and adaptability required to excel in the dynamic real estate market. Clients and tenants alike trust Elizabeth for her reliable and professional approach, which has cemented lasting partnerships.

With Elizabeth Meredith as our Senior Property Manager, we can assure our clients of the highest quality property management services. Her ability to cultivate strong relationships and drive success in even the most demanding environments makes her an invaluable asset to our team.
